

HODA HASSANPOUR

Master of Art, Design Research,
Stiftung Bauhaus Dessau

Master of Architecture, Advanced Architectural Design
Oxford Brooks University, Oxford

OBJECTIVE

As a creative professional with a background in architecture and design, I am looking to pursue my particular passion. I am looking for a position where I can combine my project management skills with my strong understanding of design.

PROFESSIONAL EXPERIENCE

06.2022- **Assistant Interior Design**

06.2023 Katja Kessler Kreation GmbH, Potsdam

- Crafting .dwg files with a creative touch, turning ideas into detailed digital blueprints.
- Being the go-to person for on-site assistance, making sure interior projects run smoothly.
- Logistic-coordination.
- Research furniture and creation of order list concept.
- Planning and styling photo shoots indoors, making spaces look picture-perfect with a touch of creativity.

08.2021- **Architect**

01.2022 3pc GmbH, Berlin

Working in a research project about the digitisation of architectural information and data.

02.2019- **Architect**

04.2020 Büro Pfeifer, Oranienbaum-Wörlitz

Renovation and Refurbishment Process:

- Preliminary Design: Involves measurements, initial ideas, and initial drafts using computer sketches.
- Design Planning: Further planning, considering aesthetics and functionality.
- Approval Planning: Prepares the building application; Creates approval plans for building authorities; Compiles necessary documents for applications.
- Execution Planning: Collaborates on and creates detailed execution drawings using computer sketches.

08.2017- **Internship**

11.2017 Bauhaus Stiftung, Dessau-Roßlau

Coordinating activities and information within the Academic Department of the Bauhaus Foundation.

07.2014-
03.2016 **Educational manager**
Institute Mehr, Babol, Iran

- Curriculum Development: Prepare curriculum frameworks and educational materials.
- Workshop Design and Organization: Design, develop, and organize workshops to enhance educational experiences.
- Quality Supervision of Teaching and Learning: Oversee the quality of teaching and learning processes.
- Efficiency and Relationship Management: Monitor the efficiency of both teachers and students and foster positive relationships within the educational environment.

01.2014-
03.2016 **Lecturer**
Babol Technical University, Babol, Iran

- Instruction in Architectural Fundamentals: Teach architectural geometry, projection methods, building materials, and construction details, incorporating effective implementation methods.
- Conceptual Architectural Development: Cultivate conceptual ideas in architecture, fostering a fundamental understanding of creativity as a foundational aspect.

02.2012-
03.2014 **Architect**
Eleman pars, Bojnourd, Iran

- Construction Schedule Management: Creating timelines for construction projects, considering costs and processes.
- Quality Check for Materials: Ensuring materials meet standards outlined in documents and drawings.
- Architectural Paper Review: Checking architectural papers to prevent conflicts with other sectors.
- Information Sharing on Materials and Design: Providing information on materials, design, and equipment.
- Coordination and Control: Overseeing and managing information coordination with subsequent control.

10.2007-
04.2009 **Architectural Draughtsman**
K.K Company, Bojnourd, Iran

- CAD-Based Architectural Drawing: Creating architectural drawings using CAD software based on survey notes.
- Building Parameter Documentation: Preparing applications and papers related to building parameters.
- Efficient Project Management: Ensuring successful and timely completion of all tasks

09.2006-
09.2007 **Architectural Assistant**
Bojnourd sazeh, Bojnourd, Iran

- Developing solutions to architectural problems
- Preparing measured surveys and site reports
- Drafting details and technical drawings by CAD and hand
