Hybrid Gallery Experience

Our mission is to provide a new media platform for galleries, institutions and art fairs to reach a global audience with a truly immersive online experience.

With your advanced three dimensional gallery, you can make the online experience as close as it can be to walking around your real gallery including the personal touch of rich storytelling via our audio tour option.

Meet New Collectors

Create new exhibitions easily in your gallery.

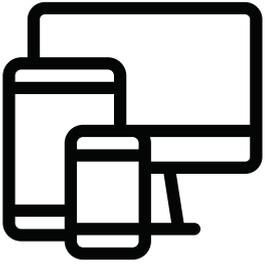

Share it with a global audience.

Get qualified leads of collectors.

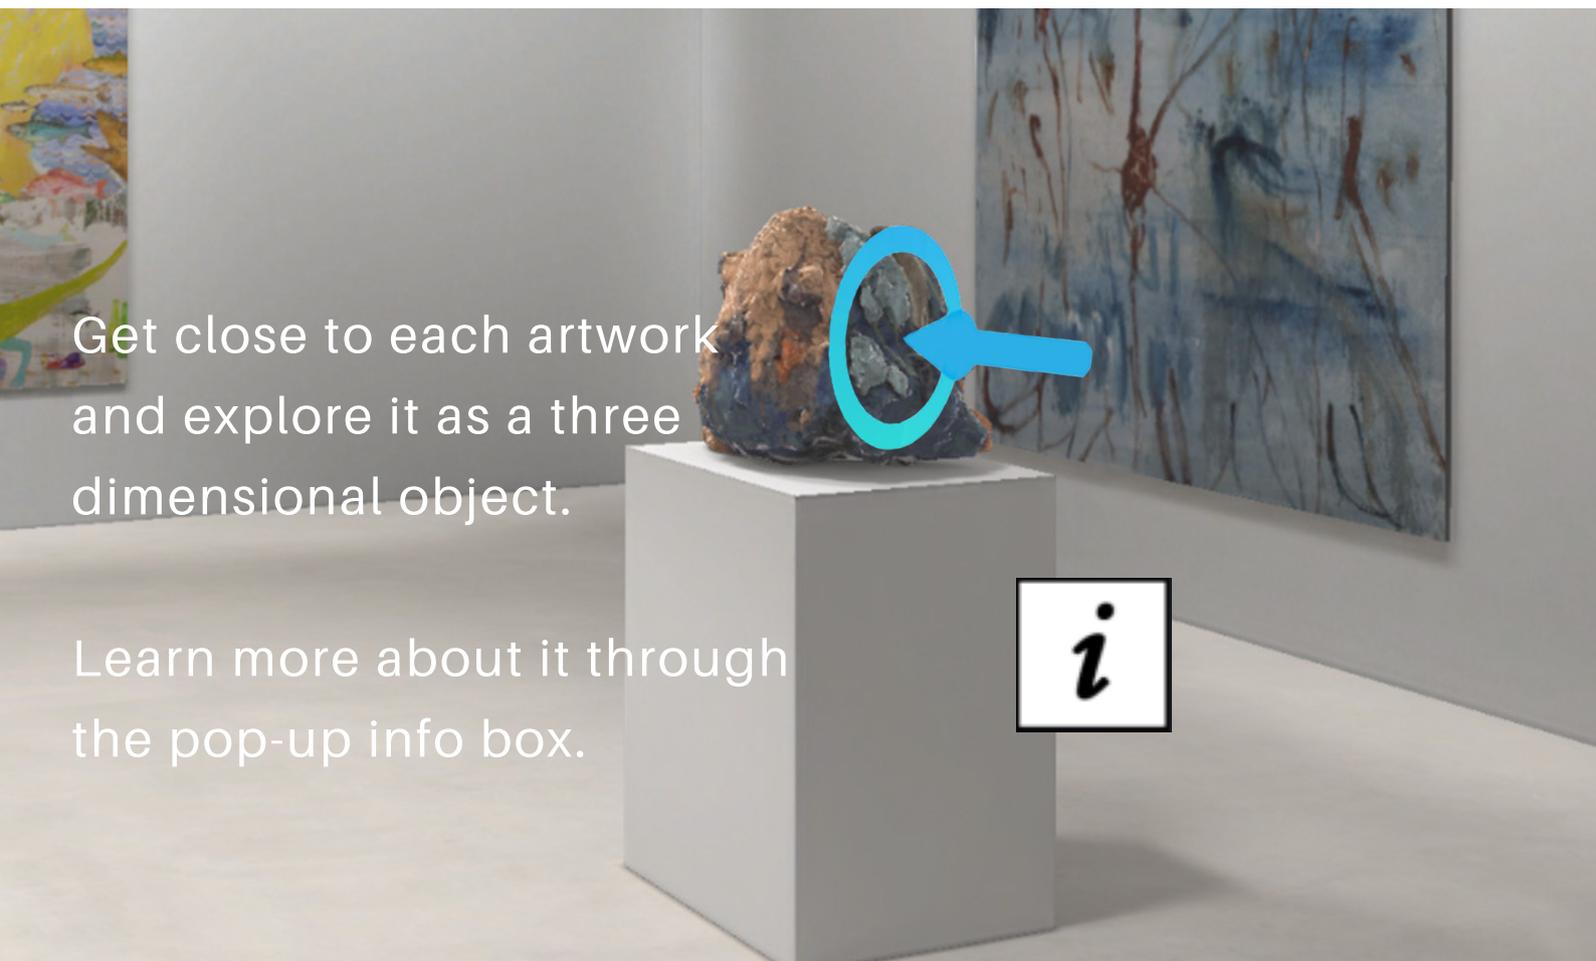

Generate instant sales with a "Buy now" button.

Access and Navigation

Visitors can enter the gallery from any device: mobile, tablet or desktop.

The blue circle enables a smooth navigation through the space and takes them wherever they want with one click.

Get close to each artwork and explore it as a three dimensional object.

Learn more about it through the pop-up info box.

Order and Delivery Process

1

We provide a link and ask some technical questions about the exhibition and the gallery. This includes artwork information, pictures from the space and a floorplan.

In 48 hours we will send a detailed quote about digitizing the exhibition and the gallery space.

2

3

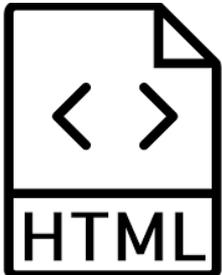

Our photographer will digitize the space and the exhibition. It takes 2-4 hours depending on the size of the gallery.

We deliver the digitized space or exhibition within 2 weeks depending on the complexity of the work.

Integration and Sharing

Embed into any Website

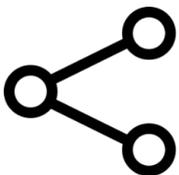

Visitors don't have to leave your webpage when they are visiting your gallery. We provide the HTML for your Online Exhibition so you can easily embed it into your website.

Send the Booth in a Newsletter

We provide a deep link with the "Visit" button. You can easily send this link in a newsletter. When subscribers click on the link, they directly enter the exhibition.

Share it on Social Media

The online exhibition can be shared on every social media channel such as Instagram, Facebook and Twitter.

You are in good company!
